### **Message To Lacy**

Where to put the trash  
and what day is pick-up?  
Clean the mother oven DUDE!  
Possible switcheroo with other properties  
(like across the street)  
for another fridge  
(or some kind of freeze).  
Back yard responsibilities...  
Who lives next door.  
Why are we here.  
Are there any phantoms behind that sealed door?  
What the hell is that smell?  
Is it okay if we draw curtains on the window pane?  
Do you want us to save the roaches?  
Can we pay the rent when we get paid?

Oh, by the way  
can you see us from your office?
